

Guadalupe-Coyote Resource Conservation District (GCRCD)

An independent special district of the State of California

888 N. 1st Street, Suite 204, San Jose, CA 95112 408-288-5888 www.gcrcd.org

Planting and Protecting Oaks: A Hands-on Workshop for Rural Land Managers

*Provided by the GCRCD-NRCS Ranchers Outreach Program, and
co-hosted by Loma Prieta RCD, University of California Cooperative Extension,
Point Blue/STRAW, and CAL FIRE.*

Wednesday, November 29, 2017

10:00 a.m. to 3:00 p.m.

*Morgan Hill Community & Cultural Center
17000 Monterey Road, Morgan Hill, CA*

The morning session will include presentations on oaks and carbon sequestration; riparian and wildlife benefits; acorn collection and planting; protective structures for seedlings; fire management issues; and companion plantings for oaks. The afternoon session will be held at a local working ranch and provide hands-on demonstrations and activities; participants will be asked to carpool to the afternoon site.
